

Liberia Telecommunications Authority

Building #D-168, Congotown Back Road

Monrovia, Liberia

General Procurement Notice

GPN/LTA/001/2014-2015

September 2014

The Liberia Telecommunications Authority (LTA) intends to use some of the proceeds under their budgetary allocation to pay for goods, works and related consulting and non-consulting services during this fiscal period 2014–2015.

Procurement of goods under this fiscal period will include but not be limited to the purchase of petroleum products, motor vehicles, IT equipment and consumables, stationeries and office supplies, office furniture etc. Consultancy services will include; hiring of consultancy firms and individual consultants for the provision of short and long term services. Works will include the construction and renovation of infrastructure and website maintenance.

Procurement of contracts financed by LTA will be conducted through the procedures as specified in the Public Procurement and Concessions Act as amended 2010 available at www.ppcc.gov.lr

Specific procurement notices for contracts under the LTA will be announced when they become available on the following websites: www.lta.gov.lr, www.emansion.gov.lr, www.ppcc.gov.lr and also in local newspapers.

Interested eligible bidders for goods and works contracts who wish to be included on LTA's mailing list to receive invitations to pre-qualify and bid for contracts under the National Procurement Framework (PPC Act; Regulations etc.) as well as interested Consultants and Consulting Firms who wish to receive a copy of all consultancy service contracts or those requiring additional information should provide contact details to the below address:
