Mawine G. Diggs
Deputy Minister for Administration
Republic of Liberia

Dear Minister Diggs:

Subject: REQUEST FOR APPROVAL: CHANGE IN PROCUREMENT METHOD FOR CONTRACT PACKAGE (PRINTING, BINDING AND PUBLICATIONS) BY THE MINISTRY OF FOREIGN AFFAIRS

The Commission presents compliments, acknowledges receipt of your request and hereby states the following observations:

1. That MOFA provisional procurement plan is already approved; however, the Ministry only needs to update and subsequently resubmit to the Commission its final 2019/2020 procurement plan.
2. That MOFA requests a change in procurement method for the contract package (Printing & Binding Services) along with the submission of a stated quotation of US\$50,700.00 from Vinjim Consult Systems, as indicated in the additional documents submitted, for the printing of Legislature Bills for the 54th Legislature.

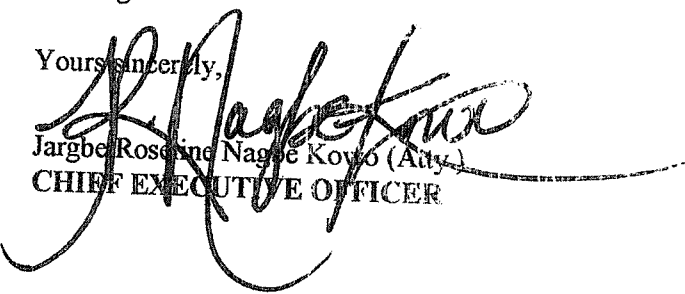

The Commission, having reviewed all supporting and applicable documentation, and upon subsequent clarifications, hereby states the following:

- **That the Commission grants approval given verification of stated urgency by MOFA**
- **That MOFA ensures that the balance appropriation be implemented using competitive procurement procedures and update the Procurement Plan to submit a final copy to the Commission for approval.**

The Public Procurement and Concessions Commission administers and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards.

Yours sincerely,

Jargbe Roseanne Nagbe Koye (Atty.)
