Republic of Liberia

Dear Cllr. Kruah:

# Subj: APPROVAL OF UPDATED AND ADDENDUM PROCUREMENT PLAN FOR THE FISCAL YEAR 2025

We present our compliments and wish to acknowledge receipt of your communication which sought the approval of the Commission for the Ministry of Labour (MoL) Updated and Addendum Procurement Plan. Following a thorough review, the Commission hereby approves the MoL updated procurement plan for the fiscal year 2025 in accordance with **Section 40 (3)** of the PPCA, 2010. The Commission further informs the MoL that the procurement plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP) and that the MFDP will process allotments in keeping with the approved procurement plan.

The Commission counsels that you observe Section 40 (5) of the PPCA, 2010, which states "each Procuring Entity, shall, quarterly and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. However, an updated procurement plan shall accompany said notice to the Commission."

Please note that the Commission's full approval of a method on the procurement plan is deemed to be the approval of the Procuring Entity, and as such, the Procuring Entity will not be required to request the use of said approved method again.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily compliant with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality, and ultimately public confidence in our procurement and concessions processes.
