Hon. Henry B. Fahnbulleh, Jr.  
**ACTING MINISTER**  
Ministry of Foreign Affairs  
Republic of Liberia

Dear: Hon. Fahnbulleh:

Subject: **RECEIPT AND APPROVAL OF THE MINISTRY OF FOREIGN AFFAIRS  
MONETIZATION PROCUREMENT PLAN (GRANT).**

We present our compliments and wish to notify you that the Ministry of Foreign Affairs request to use the Restricted Bidding Method with a reduction in lead from four weeks to two weeks to Monetize the Seventh round of Japanese donated consignment of rice in Liberia is hereby granted in accordance with **Section 40** (3) of the PPCA, 2010.

The Commission upon review of the Ministry of Foreign Affairs' request hereby informs the MOFA that its Project Procurement Plan is approved and will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plans, **upon conclusion of stipulated processes.**

The Commission advises that you observe **Section 40** (5) of the PPCA, 2010 which states that a Procuring Entity shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plan. The Commission and the Ministry responsible for Finance should be notified in writing of any material changes in the procurement plan and be provided with a copy of the updated procurement plan. Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Sincerely Yours,

  
Jargah Roseline Nagny Kowo (Atty).

**RE: Request for No Objection to use the Restricted Bidding Method and Reduction in Lead time from four (4) weeks to two (2) weeks to monetize the seventh round of Japanese donated consignment of rice to Liberia**

Dear Madam Executive Director:

I am pleased to present my Compliments and have the honor to inform that the Government of Liberia through the Ministry of Foreign Affairs has benefited series of Grant commodities (Rice & Petroleum Products) from the Japanese Government in support of Liberia's social economic development programs with the latter being rice "approximately 5,010MT" which is the Seventh Round of the KR Food Aid (2021).

The Ministry have over the years carried out all of its procurement formalities in line with PPCC laws and regulations regarding such. All of these processes have proven the same results over the years. This is evident that the rice importers in Liberia are limited.

Against this Back dropped, the Ministry seeks to request no objection for the use of Restricted Bid method and Reduction in lead time according to section 50(1)(a) which states that "When the goods, works or services are only available from a limited number of bidders;

Kindly find attached hereto a "Procurement Plan 2022/23, Explanatory Notes and a comprehensive list of major rice importers received from the Ministry of Commerce and Industry that are legally registered and licensed.
