Chief Executive Office
Public Procurement Concession Commission
Capitol Hill, Monrovia.

Dear Hon. Kowo,

We extend compliments and herewith inform the commission on procurement activities between United Motor Company and National Lottery Authority. After the bid opening, our bid evaluation committee visited United Motor Company and other company who participated in the bid process, the management of united motor company told the National Lottery Authority that they had black fortuner with leather seats in the showroom but unfortunately, it was not available.

They had a white fortuner as a second choice in the showroom which was not of high quality and was not satisfactory to NLA Management. We have therefore decided not to procure such vehicle from United Motor Company which is now leading the entity to a new process. We are asking you to please advise and kindly reduce the time for the next bid process which is restricted bidding (RB) which is within (90) days according to the PPCC ACT.

Thanks for your usual understanding and kind consideration.

Kind regards,

Jeremiah 11/24/2021
