**MANAGING DIRECTOR**  
 National Transit Authority  
 Republic of Liberia

Dear Hon. Forh:

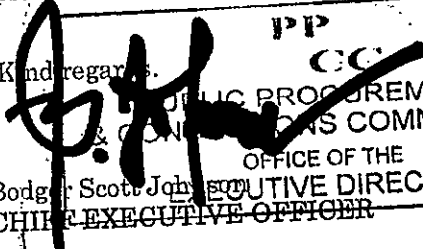

Subject: RECEIPT AND APPROVAL OF THE NATIONAL TRANSIT AUTHORITY PROCUREMENT PLAN WITH A REDUCTION IN LEAD TIME - FISCAL YEAR 2026

We present our compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the National Transit Authority (NTA) Procurement Plan with a two-week reduction in lead time for the procurement of Petroleum Products, for Fiscal Year 2026 in accordance with Section 40 of the PPCA, 2026. The Commission wishes to inform you that your Procurement Plan has been approved and will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), which will process the relevant allotments in line with the approved Procurement Plans.

The Commission counsels that you observe Section 40(5) of the PPCA, 2026 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plan. The Commission and the Ministry responsible for finance should be notified in writing of any material changes in the procurement plan and provide with a copy of the updated procurement plan."

Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2026, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Kind regards,

**CHIEF EXECUTIVE OFFICER/CEO**  
Public Procurement and Concessions Commission (PPCC)

Dear Hon. Scott:

**Ref.: REQUEST FOR REDUCTION IN LEAD TIME FOR THE TENDERING PROCESS FOR THE SUPPLY OF FUEL TO THE NATIONAL TRANSIT AUTHORITY (NTA) FOR FY 2026**

Kindly accept our warmest compliments.

Following our completion of the compliance processes and publication of the NTA's Annual Procurement Plan (APP) for 2026, we write seeking your approval for a reduction in the LEAD TIME for the tendering process of bulk fuel supply. Below is a detailed description of the Contract Package:

Contract Package: Petroleum Products (Fuel and Gasoline)  
Package Code: IFB NO.: NTA/SBA/RB/001/2026  
Procurement Method: Restricted Bidding (RB)  
PPCC Approval Date: May 2, 2026  
B/Activity Code: G4661  
Requested Time: Two (2) Weeks

As you may be aware, fuel is the fulcrum on which the National Transit Authority (NTA) conducts and delivers all transport and related services to the people of Liberia. As it stands, the entity's operations are currently stalled due to the lack of fuel and any further extension may cause serious delay in its service delivery obligation to the citizenry.

In consideration of the merits of our request, we pray your indulgence in granting us a reduction in Lead time to have the fuel supply processes concluded.

Thanks for your usual support to the Transport Sector as we look forward to your promptitude in this regard.

Yours Sincerely,

Edmund Forh Forh
