Brigadier General Geraldine Janet George (Rtd)
MINISTER
Ministry of National Defense
Republic of Liberia

Dear Gen. George:

Subj: **QUERY ON REQUEST FOR APPROVAL OF DRAFT PROCUREMENT PLAN FOR THE FISCAL YEAR 2026**

We present our compliments and acknowledge receipt of your communication requesting the Commission's approval of the Ministry of National Defense (MoD) procurement request, as referenced above.

Upon a thorough review of the submitted documentation, the Public Procurement and Concessions Commission (PPCC) is pleased to note that the Ministry of National Defense provided a comprehensive procurement package, including a transmittal letter, procurement plan, explanatory notes, draft budget, bill of quantities, and drawings.

However, it was observed that the Ministry of National Defense is among the fifty (50) entities already on-boarded on the Liberia Electronic Government Procurement (e-GP) Platform for Fiscal Year 2026. In light of this finding, the Commission hereby recommends that the Ministry submit its procurement plan through the e-GP platform in accordance with established procedures.

The Public Procurement and Concessions Commission further emphasizes the importance of continued full compliance with the **Public Procurement and Concessions Act (PPCA), 2010**, as we collectively strive to uphold the principles of **transparency, accountability, fairness, equality**, and to enhance **public confidence** in Liberia's procurement and concessions processes.

Please do not hesitate to contact the Commission should you require any clarification or technical support in submitting the procurement plan through the e-GP system.

Sincerely yours,

Bolger Scott Johnson (Rtd)
