RE: Publication of Notice of Complaint

The Public Procurement and Concessions Commission (PPCC) hereby notifies bidders that participated in the Ministry of Finance and Development Planning, (MFDP) procurement package (IFB.No:MFDP/QCBS/001/2025) for the Consultancy for the Development of HRMIS, Biometric Time and Attendance System and commissioning the Closed Circuit Television (CCTV) that a Complaint/Request for Review has been filed by Stargate Technologies, Inc., with the PPCC in keeping with **Section 125.1 (a)(b) of the Public Procurement and Concessions Act (PPCC, 2010)**.

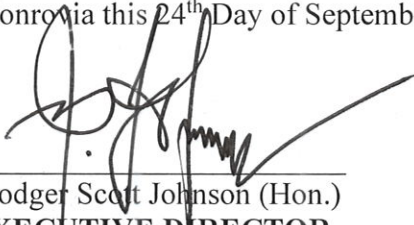

In its complaint, Stargate Technologies, Inc. alleges that the MFDP and PPCC violated **Part I (d) & (e) of the PPC Act 2010**. Stargate Technologies, Inc., further avers that MFDP and PPCC's action to have it excluded from participating in the e-Procurement bidding process for the above-mentioned tender as advertised on the e-GP Platform has disadvantaged and denied it the right to explore and participate in business opportunity for which it (Stargate Technologies, Inc) is qualified under the laws of Liberia.

In view of the above, Stargate Technologies, Inc., has filed this action, praying for the retendering of the above-mentioned procurement process.

Other participating bidders who may be affected by the resolution of this complaint, are requested to file their notice of appearance with the Complaint Appeals and Review Panel (CARP) within seven (7) days, upon publication of this Notice by the Commission, declaring an interest to appear at the hearing in keeping with Section 126(9).

Issued in Monrovia this 24th Day of September, A.D. 2025.

Signed:

Bodger Scott Johnson (Hon.)
