Public Service Announcement on the Issuance Of New Vendors Registration Certificate

Date: December 18, 2023

The Public Procurement and Concessions Commission (PPCC) is pleased to announce the issuance of a new Vendors Registration Certificate. The availability of the certificate is part of PPCC's efforts to resolve all queries and concerns regarding the issuance of receipt to validate vendors' legitimacy to participate in public procurement tender opportunities. Let it be noted that **ONLY** vendors with the valid PPCC vendor registration certificate will be accepted and pre-qualified to participate in public procurement tender opportunities in Liberia, beginning March 15, 2024. Vendors who are currently in possession of the old vendor registration receipt are required to obtain the new Vendor Registration Certificate before the close of February 2024. Please let this announcement claim your immediate attention as there will be no extension to the deadline.

Please note that the new certificate has been designed to include the following features:

- ✓ Business Activity Code;
- ✓ Security Features;
- ✓ Series Number; and
- ✓ Validity period.

Many thanks for your usual noteworthy support and collaboration.
